Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

The dotted lines indicate areas which also contain a non-repeating set of digits. These squares can be added together to produce the sums shown in the clues.

Be sure to use the answers page if you get stuck!

"Some people are always grumbling because roses have thorns. I am thankful that thorns have roses."
 -- Aphorise Karv

Love not! Love not! the thing you love may change. The rosy lip may cease to
 smile on you. The kindly beaming eye grow cold and strange. The heart still
 warmly beat, and not for you.
 -- Mrs. Norton

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
