EUREKA!

© 2018 KrazyDad.com

Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

The dotted lines indicate areas which also contain a non-repeating set of digits. These squares can be added together to produce the sums shown in the clues.

Be sure to use the answers page if you get stuck!

The mind of man is vastly like a hive. His thoughts are busy ever -- all alive; But here the simile will go no further: For bees are making honey, one and all; Man's thoughts are busy in producing gall, Committing, as it were, self-murder.
 -- Dr. Wolcott

34	35	6	9	48	44	33	69	70

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3,... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
