Mind your own business. Spock. I'm sick of your halfbreed interference.

You can get more with a kind word and a lawyer than you can from just a kind word.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use. Put the numbers in the numbered squares in order 1, 2, 3 until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
