Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

The dotted lines indicate areas which also contain a non-repeating set of digits. These squares can be added together to produce the sums shown in the clues.

Be sure to use the answers page if you get stuck!

A great source of error is the judging of events by abstract calculations,
 which though geometrically true are false as they relate to the concerns of
 beings governed more by passion than by an enlightened sense of
 justice.
 -- Alexander Hamilton
