Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

The dotted lines indicate areas which also contain a non-repeating set of digits. These squares can be added together to produce the sums shown in the clues.

Be sure to use the answers page if you get stuck!

His eye was blue and calm, as is the sky in the sereneest room.

LEO (July 23 - Aug 22)
 You consider yourself a born killer. Others think you are
 pushy. Most Leo people are bullies. You're not. You're
 honest criticism. Your arrogance is disgusting. Leo people
 are thieves.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you used to solve the puzzle. Follow the numbered squares in order 1, 2, 3 until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
