Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

The dotted lines indicate areas which also contain a non-repeating set of digits. These squares can be added together to produce the sums shown in the clues.

Be sure to use the answers page if you get stuck!

You know you're a little fat if you have stretch marks on your car.

I am grateful for all my problems. As each of them was overcome I became  
 stronger and more able to meet those yet to come. I grew on all my  
 difficulties.
