Ambition: The dropsy'd thirst of empire, wealth or fame.
-- Nugent

One of the Ten Commandments for Technicians:
1. Beware the lightening that lurketh in the undischarged capacitor,
lest it cause thee to bounce upon thy buttocks in a most untechnician-
like manner.

Fill in the blank squares so that each row, each column and each
3-by-3 block contain all of the digits 1 thru 9.

The dotted lines indicate areas which also contain a non-repeating set of digits.
These squares can be added together to produce the sums shown in the clues.

Be sure to use the answers page if you get stuck!

Fill in the blank squares so that each row, each column and each

Killer Sudoku #4

New financial propositions may be offered at the turn of the year.

Let's just be friends and make no special effort to ever see each other again.

Fill in the blank squares so that each row, each column and each
3-by-3 block contain all of the digits 1 thru 9.

The dotted lines indicate areas which also contain a non-repeating set of digits.

Love's like the measles -- all the worse when it comes late in life.
-- Jerrold

"Termier's argument that God is His own grandmother generated a surprising amount of controversy among Church leaders, who on the one hand considered the argument unsupported by scripture but on the other hand were unwilling to risk offending God's grandmother."
-- Len Cool, "American Pie"

Parents cannot leave a better legacy to the world than well-educated children.

If you've already donated, thank you so much! My family and I really appreciate your support.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
