*Americans have always attached particular value to the word "neighbor."
While the spirit of neighborliness was important on the frontier because
neighbors were so few, it is even more important now because our neighbors are
so many.*

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
