Fill in the blank squares so that each row, each column and each 3-by-3 block contain all of the digits 1 thru 9.

The dotted lines indicate areas which also contain a non-repeating set of digits. These squares can be added together to produce the sums shown in the clues.

Be sure to use the answers page if you get stuck!

*This famine has a sharp and meagre face; 'Tis death in an undress of skin  
 and bone, Where age and youth, their landmark ta'en away, Look all one common  
 sorrow.*  
 -- Dryden

*To gild refined gold, to paint the lily, To throw a perfume on the violet,  
 To smooth the ice, or add another hue To the rainbow, or, with taper-light,  
 To seek the beauteous eye of heaven to garnish, Is wasteful and ridiculous  
 excess.*  
 -- Shakespeare

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3,... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
