Time's gradual touch has moulded into beauty many a tower which when it
 frowned with all its battlements, was only terrible.

The intoxication of anger, like that of the grape, shows up to others, but
 hides us from ourselves, and we injure our own cause, in the opinion of the
 world, when we too passionately and eagerly defend it.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
