

# CHEATERS *get* REVENGE !!

**ALICE** , Barb, Cassidy and Patricia are all lawyers, and they are renting a cabin in the lake country.

One of the four isn't suing anyone else in the cabin, but the other three are suing at least one of the others.

Everyone is suing a different number of people (one of which is zero).

Everyone had a “committed” relationship with every other person in the cabin, at some time in the past. It’s pretty complicated! We use quotes because everyone cheated, just once, on one of their partners, and everyone got cheated on, just once, by one of their partners.

With the exception of Patricia, nobody was cheated on by anyone they are not also suing. The rest are getting revenge! And some people are suing others just for the heck of it, because they’re lawyers.

Cassidy did not cheat on Patricia. Alice is not suing Cassidy.

Cassidy, being extremely paranoid, is suing everybody!

Alice is not suing Patricia, and Barb is not suing Alice. Thank goodness there is some sanity in the world.

In a flashback, we see Barb cheating on Alice! What a shocking twist!
