

# FIGHT AT THE WAFFLE HOUSE!

## A DETECTIVE THURSDAY MYSTERY

I HAD JUST FINISHED WATCHING GILMORE GIRLS WHEN I RECEIVED A CALL FROM MABEL, THE MANAGER AT THE WAFFLE HOUSE. THERE HAD BEEN A FIGHT, AND A WINDOW WAS BROKEN. IT ALL STARTED WHEN SEVERAL CUSTOMERS CAME IN. THEY EACH ORDERED ONE OF THREE ENTREES, AND THEY ALL GOT HASH BROWNS (SMOTHERED OR PLAIN). NO SPECIFIC ITEM WAS ORDERED MORE THAN THREE TIMES.

AFTER THE FOOD ARRIVED, THEY BEGAN THROWING FOOD AT EACH OTHER, FIRST IN FUN, AND THEN IN ANGER. EACH CUSTOMER SPLATTERED A DIFFERENT NUMBER OF PEOPLE, ALTHOUGH ONE OF THEM DIDN'T SPLATTER ANYBODY. FINALLY, IN THE MELEE, A TOASTER GOT THROWN THREW A WINDOW AND SHATTERED GLASS GOT EVERYWHERE! NOBODY BUT THE TOASTER THROWER SAW IT HAPPEN.

CAN YOU DEDUCE FROM MY REPORT WHO SPLATTERED WHO, WHO ORDERED WHAT, AND MOST IMPORTANTLY, **WHO BROKE THE WINDOW?**

Alice didn't splatter anyone, being a dainty soul.

Somebody with smothered hash browns splattered more than 2 others. What a mess!

Ezekiel and Cora had different entrees (omelet, pancake or waffle).

Someone with smothered hash browns was splattered by fewer than two people.

All the people with smothered hash browns had the same entree.

Danny and Bart had the same entree.

Anyone who had an omelet also had the plain hash browns.

Ezekiel had pancakes.

Exactly two people had both waffles and plain hash browns.

I TOOK THE FOLLOWING STATEMENTS FROM THE FOUR SUSPECTS. ONLY THE **WINDOW BREAKER** IS LYING!

Alice : Danny wasn't splattered by two people.

Bart : Alice was splattered by a different number of people than Danny was.

Cora : Danny splattered more than three people.

Danny : Ezekiel was splattered by more people than Cora was.

Ezekiel : Bart splattered everyone.
