*Fifth Law of Applied Terror:
 If you are given an open-book exam, you will forget your book.
 Corollary:
 If you are given a take-home exam, you will forget where you live.*

		13	18	24	15		14	19
53		49	25	26		20	1	6

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
