Everything should be as simple as possible, but no simpler.
-- Albert Einstein

Boss: According to the Oxford English Dictionary, in the Middle Ages the words boss, and boche, were largely synonymous, except that boss, in addition to meaning "a supervisor of workers" also meant "an ornamental stud."

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
