You are inclined to be careless and impractical, causing you to make the same mistakes repeatedly.

In all the many-colored worlds of the universe no single ethical code shows a universal force. ... I am convinced that virtue is but a reflection of good
-- Magnus Rindolf

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
