TAUROS (Apr 20 - May 20)
 You are practical and persistent. You have a dogged
 determination and you like to get it. Most people think you are
 stubborn and bull headed. You are a Conqueror.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
