A good question is never answered. It is not a bolt to be tightened into place
 but a seed to be planted and to bear more seed toward the hope of greening the
 landscape of idea.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
