*Love is merely madness; and I tell you, deserves as well a dark house and a whip, as madmen do; and the reason why they are not so punished and cured, is that the lunacy is so ordinary, that the whippers are in love too.
-- Shakespeare*

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
