*Minds of the strongest and most active powers fall below mediocrity and labor without effect, if confined to uncongenial pursuits. And it is thence to be inferred, that the results of human exertion may be immensely increased by diversifying its objects.*

*There are two distinct sorts of what we call bashfulness; this, the awkwardness of a booby, which a few steps into the world will convert into the pertness of a cox comb; that, a consciousness, which the most delicate feelings produce, and the most extensive knowledge cannot always remove.*
