A new dramatist of the absurd
Has a voice that will shortly be heard.
I heard him whisper
He's about to rise
An unprintable three-letter word.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
