*It is best to hope only for things possible and probable; he that hopes too much shall deceive himself at last; especially if his industry does not go along with his hopes; for hope without action is a barren undoer.
-- Feltham*

Among the damned, you are the chosen one.

5			53	27	49	23	6	9
7			13			16	17	

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
