*Deep in the nature of all these noble races there lurks unmistakably the
 beast of prey, the blond beast, lustfully roving in search of booty and
 victory.*
 -- Frederick Nietzsche

Education belongs pre-eminently to the church ... neutral or lay schools
 from which religion is excluded are contrary to the fundamental principles of
 education.
 -- Pope Pius XI

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
