*Of all the passions that possess mankind, The love of novelty rules most the mind; In search of this, from realm to realm we roam; Our fleets come fraught with ev'ry folly home.
-- Foote*

	12	11		48	43		15	9
16			39	13		40		14
20	38	5	17	3		18		

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
