Talent, lying in the understanding, is often inherent; genius, being the action of reason and imagination, rarely or never.
-- Coleridge

The price of freedom of religion or of speech or of the press is that we must put up with, and even pay for, a good deal of rubbish.
-- Justice Robert Jackson

		3	55	52	39	30	40
4			41	42		25	20

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
