Good day to let down old friends who need help.

We lie about the truth, that's what ruins us here. And do you know why we lie about the truth? Not because we like to, but because we are scared to death of it. If we looked in our hearts and found eyes to be found at all, to the stars... Babbarliche the cobbler.

Work Rule: Entirely too much time is being spent in the washrooms. In the future, you will follow the practice of going in alphabetical order. For 9:05 AM, those on those premises might be to go at your appointed time. It will be necessary to wait until the next day when your time comes around again.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
