Many people go throughout life committing partial suicide -- destroying their talents, energies, creative qualities. Indeed, to learn how to be good to oneself is often more difficult than to learn how to be good to others.  
 --John De Laet

## Sudoku #6

7	5		4				2	
	9			6	8			
			3					5
	1	6					8	
	3	9					7	6
	2						5	1

9		10		27	11	12		

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
