The first creation of God in the works of the days was the light of the sense, the last was the light of the reason; and his Sabbath work ever since is the illumination of the spirit.  
 -- Bacon

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
