The Ruffled Pandanga of Borneo and Kohlerham spreads out his feathers in his courtship dance and imitates Winston Churchill and Tommy Cooper on one leg. The Pandanga is only for one reason: the female pandanga does it! -- Mike Harding, "The Amateur Anarchist's Almanac"

Everything is nothing. Everything is all. All is one. One is inconceivable, infinite. Therefore it is nothing. Therefore everything is nothing.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
