There is this difference between happiness and wisdom; he that thinks himself the happiest man really is so; but he that thinks himself the wisest, is generally the greatest fool.
-- Colton

54	42	52		40	22		6	
18		53		3	21	50	30	

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
