*With every exertion, the best of men can do but a moderate amount of good; but it seems in the power of the most contemptible individual to do incalculable mischief.
-- Washington Irving*

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
