... The Anarchists' [national] anthem is an international anthem that consists of 365 raspberries blown in very quick succession to the tune of "Camptown Races". Nobody has to stand up for it, nobody has to listen to it, and, even better, nobody has to play it.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3,... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
