*The various opinions of philosophers have scattered through the world as many plagues of the mind as Pandora's box did those of the body; only with this difference, that they have not left hope at the bottom.  
-- Jonathan Swift*

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
