If you lend a person any money, it becomes lost for any purposes of your
 own. When you ask for it back again, you find a friend made an enemy by your
 own kindness. If you begin to press for the return of it, you must part with
 him and which you have enemies. -- Plautus

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
