Mark this well, you proud men of action! You are, after all, nothing but unconscious instruments of the men of thought.
-- Heinrich Heine

Brooke's Law:
Whenever a system becomes completely defined, some damn fool discovers something which either abolishes the system or expands it beyond recognition.

3		32			31	37	29	
36	25	49	54	6	5		17	4

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3,... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
