The Law of Fashion: The same dress is: indecent 10 years before its time, during 20 years before its time, chic in its time, dowdy 5 years after its time, hideous 20 years after its time, obsolete 40 years after its time, romantic 100 years after its time.
-- James Laver

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
