Heaven: A place where the wicked cease from troubling you with talk of their
 personal affairs, and the good listen with attention while you expound your
 own. -- Ambrose Bierce

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
