I've touched the highest point of all my greatness. And from that fall, meridian of my glory. I haste now to my setting. I shall fall. Like a bright exhibition in the evening, and no man see me more.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
