A. Running a project in this office is like mating elephants -- it takes a great deal of time and effort to get on top of things; B. The whole affair is always accompanied by a great deal of noise and confusion, the culmination of which is heralded by loud trumpeting; C. After which, nothing comes of the effort for two years.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
