A. Running a project in this office is like nailing elephants -- it takes a great deal of time and effort to get on top of things. B. The whole effort is always accompanied by a stream of excuses. C. As for complaints, the chairman is often reminded by loud roars from which, nothing comes of the effort for two years.

16	17	46	5	43			28
	14	44		38	45		2
47			29	31	53	27	49

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
