The difference between science and the fuzzy subjects is that science requires reasoning, while those other subjects merely require scholarship.
-- Lazarus Long

*First Law of Procrastination:
Procrastination shortens the job and places the responsibility for its
termination on someone else (i.e., the authority who imposed the deadline).*

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
