*Worst Month of the Year:
February. February has only 28 days in it, which means that if
you rent an apartment, you are paying for three full days you
don't get. Try to avoid February's whenever possible.
-- Steve Rubenstein*

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
