*Apathy can only be overcome by enthusiasm, and enthusiasm can only be aroused by two things; first, an ideal which takes the imagination by storm, and second, a definite plan for carrying that ideal into practice.  
--Arnold Toynbee*

*If you accept the necessity for freedom of expression, it follows that in an intellectual controversy any attempt to coerce rather than to persuade ... is not merely an offense against the person so coerced, but an erosion of the mechanics which make free expression work, and therefore make it possible.*  
 -- Michael Kinsley

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
