I've never known an instance in the history of our company where an executive unloaded responsibilities and duties on one lower in the ranks, that he did not find himself immediately loaded from above with greater responsibility.
-- Arthur F. Hall

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
