It is the function of creative men to perceive the relations between thoughts, or things, or forms of expression that may seem utterly different, and to be able to combine them into some new forms -- the power to connect the seemingly unconnected.

More longevity is a good thing for those who watch Life from the side lines. For those who play the game, an hour may be a year, a single day's work an achievement for eternity.

A sentence well couched takes both the sense and the understanding. I love
not those curt-roped speeches that are longer than the memory of man can
follow.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
