*Jones's First Law:
Anyone who makes a significant contribution to any field of endeavor,
and stays in that field long enough, becomes an obstruction to its
progress -- in direct proportion to the importance of their original
contribution.*

We take cunning for a sinister and crooked wisdom, and certainly there is a great difference between a cunning man and a wise man, not only in point of honesty but in point of ability.

Work Rule: Leave of Absence (for an Operation) -- We are no longer allowing this practice. We wish to discourage any thoughts that you may not need all of whatever you have, and you should not consider having anything removed. We hired you as you are, and to have anything removed would certainly make you less than we bargained for.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
