A priest was walking along the cliffs at Dover when he came upon two  
 locals pulling another man across on the end of a rope. "That's what I like to  
 see," said the priest, "that somebody's dead and somebody's still  
 As he was walking and the priest, local people told him, "Well, he sure  
 doesn't know the first thing about shark fishing."

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
