There is only one thing worse than dreaming you are at a conference and waking up to find that you are at a conference; and that is the conference where you can't fall asleep.

55	23	17	4	54	39		53	37

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
