A good question is never answered. It is not a bolt to be tightened into place but a seed to be planted and to bear more seed toward the hope of greening the landscape of life.

Let the soldier be abroad if he will, he can do nothing in this age. There is another personage, a personage less imposing in the eyes of some, perhaps insignificant. The schoolmaster, the soldier, the miller, the farmer, the printer, against the soldier, the full military army.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1,2,3... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
