*Sweet are the uses of adversity, Which like the toad, ugly and venomous,
Wears yet a precious jewel in his head; And this our life, exempt from public
haunt, Find tongues in trees, books in the running brooks, And good in
everything.
-- Shakespeare*

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
