No state has an inherent right to survive through conscript troops and, in the long run, no state ever has. Roman maroons used to say to their sons: "Come back with your shield, or on it". Later on this custom declined. So did Rome.

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
